Presidents Report

- **3 Mile Project-** Deposit is due- want to get Friday of CSW, nice way to end the week.
- **Room Parents-** Only 1 parent for 7 & 8th grades- should be fine, with how small they are. 4th grade also needs one- sharing the job with txt chain.
- **Feast Days-** No one signed up- might be intimidated with having to follow the last person- she did cool things.
- **Birthdays-** Mrs Murphy has a new, correct list of dates.
- **WC Tailgate-** Needs someone for 10/4- Maybe Jamielee or Abi can do it. Reminder no parking up at the tent.
- **Wood Chips-** Due again. Not sure why Home & School is in charge of that. Mrs Murphy will look at budget and figure out what should be in the normal school budget, such as this, in January and make some changes. We are paying this time- not measuring- Jeff Momber is taking care of that part.

PRINCIPLES REPORT

1. **Enrollment**- is up 1 from last year. Great to be ahead- especially with a few of the larger families that left.
2. **New**- excited to have an active Home & School. First time for me- so excited to see how many great things you do for our school. As I learn more and get settled have more things to bring up. But thanks for making the last minute meeting about the open house in August.

TREASURES REPORT

1. **No Report this time**- Mike is on Vacation. Will have a report next meeting. T shirts haven't been ordered yet. Planners have been paid, along with infinite campus, Mag & Books have had 1 teacher ask for money, That's about it- Mrs Murphy would like a report of what goes where- it's on google drive. She will look it up and figure out why Home & School pays for things that should be in normal school budget, before January's meeting.

COMMITTEE REPORT

1. **Field Trips**- Teachers are wondering if the budget can be raised from \$10 per student? We discussed that it would be raised to \$15-18 per student.
2. **Lunch Person Week**- It's usually during teacher appreciation week- it has been left to the teacher who organizes bdays for staff. Can that go to Home & School? It used to be done by the committee person as part of teacher appreciation week, I think with all the craziness of no lunch person, then a lunch person it just got missed. Yes will go back to Home & School- along with Principle, Administrative assistant, etc.
3. **Fall Family Fun**- Deposit has been paid \$50. We had to move it up a weekend due to an event at parish. We will be charged for the back \$40 this year. They did reimburse us the \$500 from last year. Not sure if that will happen again since we moved the event up.
4. **Teacher Dinners**- Budget was increased to \$200.

5. Mother Son Cornhole- Kathi Rand & Jessica ChairingDate is Feb 8th- looking at the calendar.
6. Daddy Daughter Dance- March 1 Sarah & Mary Chairing, Photographer will take pictures for a small fee.
7. Finiances- Start charging to cover the cost of these events? Maybe \$10-15 per family? Since we pay for DJ and things.
8. Assembly's- Farm bus- \$500 per day min 2 days. Budget is \$1000 so only assembly this year. Will look at getting it booked right away.
9. Parades- Home & School are taking over. Pulaski Days Oct 5, Town & County in May, Get a Sign up for who can come, do we need a trailer? Free Jean day pass to walk, or be Mascot.
10. Fundraising- Currently none planned.

A walk a thon- Done during the day, no cost, easy.

Flowers, has never worked out to do time wise.

Dinners- always a hit, let's get 4 planned. Palermo's, BUd & Stanley's, Russ' and Bow Tie. Abi will contact to get dates.

Ask Brechtings if they want to do apples this year- or maybe do a set amount on 1-2 days.

NEW BUSINESS

1. **Covered everything above.**

Prayer- 6:40 ADJOURN
