### Faith, Creation & Our Future Together- All-School Family Meeting

We invite all Holy Trinity families to join us for an important All-School Family Meeting on **Thursday, January 29th at 6:30 PM** in the school basement. This evening will be a time to gather as a faith-filled community to reflect, learn, and look ahead together.

During the meeting, we will share a brief overview of creation-based education—an approach that helps students see the world as God’s gift, deepening their sense of wonder, responsibility, and respect for all creation. We will also discuss the importance of stewardship of resources, emphasizing how caring for what God has entrusted to us—our environment, our school, and our community—is an essential part of living out our faith.

Blessings, Shannon Murphy
