CARE FOR OUR SEMINARIANS

We are excited to join Holy Spirit Parish in collecting Care Packages—CARE for Our Seminarians as a way to support and thank our 22 diocesan seminarians for their generous response to God's call. Our Holy Trinity School community will be collecting all items and sending them together as one group donation. Families are invited to contribute by purchasing items through the designated Amazon Wish List (items may be shipped to your home and then sent in with your student or dropped off at the school), making a monetary donation, or signing up to provide additional needed items. To ensure each seminarian receives the same care package, please only purchase items from the provided Amazon link
